

## Welcome to Pioneer Tactical

We are very pleased that you decided to participate in a course with us. You will see and hear the positive enforcement of firearms safety rules while you are here. These safety rules create a safe environment for all. **PLEASE COMPLY WITH THESE RULES** as a failure to do so can result in the termination of your training course.

### SAFETY EQUIPMENT

**Eye and ear protection are mandatory.** Hats are a good idea to prevent “falling” debris from striking your face or getting in behind your glasses. We will provide eye and ear protection if you don't have any.

### FIDDLE TABLE

There is a “fiddle” table out on the range. **PLEASE do not handle, load or unload firearms in the driveway/parking area, classroom/house or other buildings.**

**\*\*We Have Rental Pistols If You Need One... Just Ask\*\***
